1 Introduction

The following document walks through how to perform all the main functionality of BWC.

2 Registration

Step 1: Navigate to <http://www.bwc-app.oscar.ncsu.edu>

A screenshot of a web browser displaying the BWC registration page. The browser's address bar shows the URL 'http://www.bwc-app.oscar.ncsu.edu'. The page features a header with the 'bandwidth connector' logo and a 'Sign in' button. Below the header, there is a 'Create New Account' section with a form containing five input fields: 'E-Mail Address', 'First Name', 'Last Name', 'Password', and 'Retype Password'. A 'Create Account' button is positioned at the bottom of this form. The browser's tab bar shows several open tabs, including 'Browse Current Courses', 'Rise of Mythos - Official', 'https://os.battle.net/login', 'Ticket R21304738 - Your', and 'Google Chrome co...'. The browser's address bar also shows a 'Sign in' button.

Step 2: Enter Registration Information

bandwidth connector

Sign in

Create New Account

E-Mail Address: nrbragdo@ncsu.edu

First Name: Nick

Last Name: Bragdon

Password: [masked]

Retype Password: [masked]

Password should be at least 8 characters and match each other

Create Account

Step 3: Click Create Account, you will then be redirected to the dashboard page

3 Login

Step 1: Navigate to <http://www.bwc-app.oscar.ncsu.edu>

Step 2: Enter your email and then password

bandwidth connector

Sign in

Create New Account

E-Mail Address: [input field]

First Name: [input field]

Last Name: [input field]

Password: [input field]

Retype Password: [input field]

Create Account

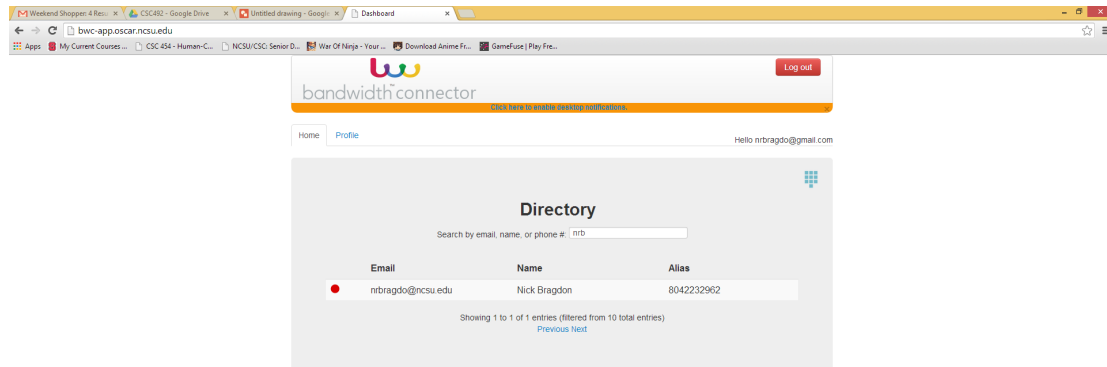

Step 3: Click the “Sign In” button, you will be brought to the dashboard page if information

is correct

4 Dashboard

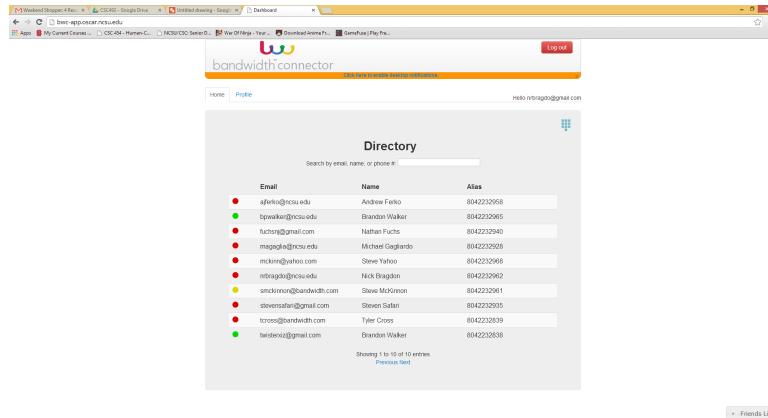

4.1 User Table Searching

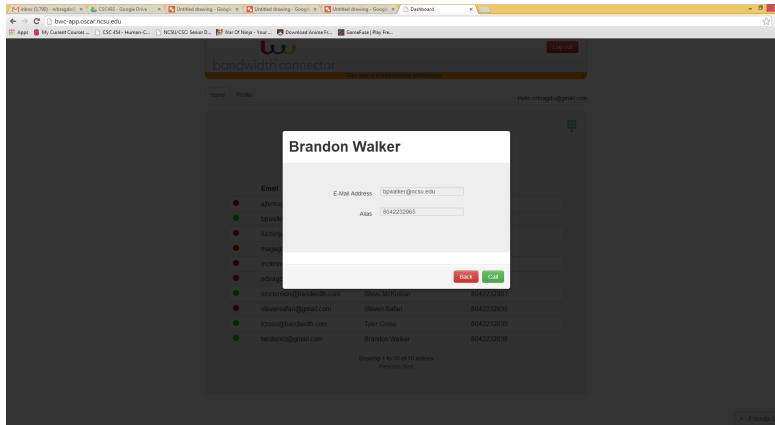

Step 1: Once on the dashboard page begin typing an email, name, or alias of a user you wish to find

4.2 Viewing Another User's Profile

Step 1: Once on the dashboard page, click on the row of the user you wish to view

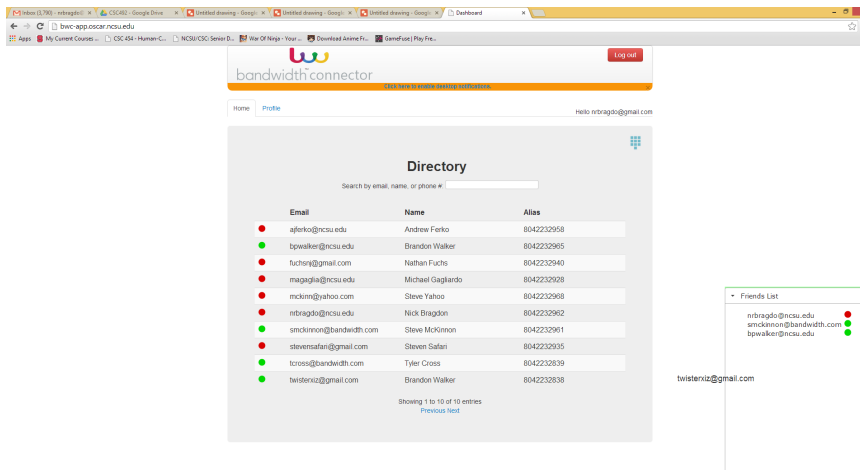

4.3 Adding a Friend

Step 1: Once on the dashboard page, click and hold on the row of the user you wish to add as a friend

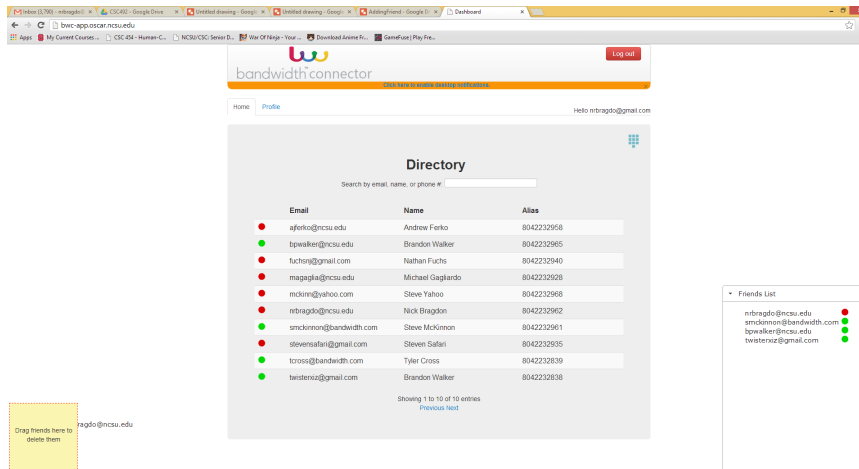

Step 2: Drag that user over to the friends list, once the top of the friends list turns green you can drop the user there and they will successfully add

4.4 Deleting a Friend

Step 1: Once on the dashboard page, click and hold on the email of the user on your friends list you wish to delete

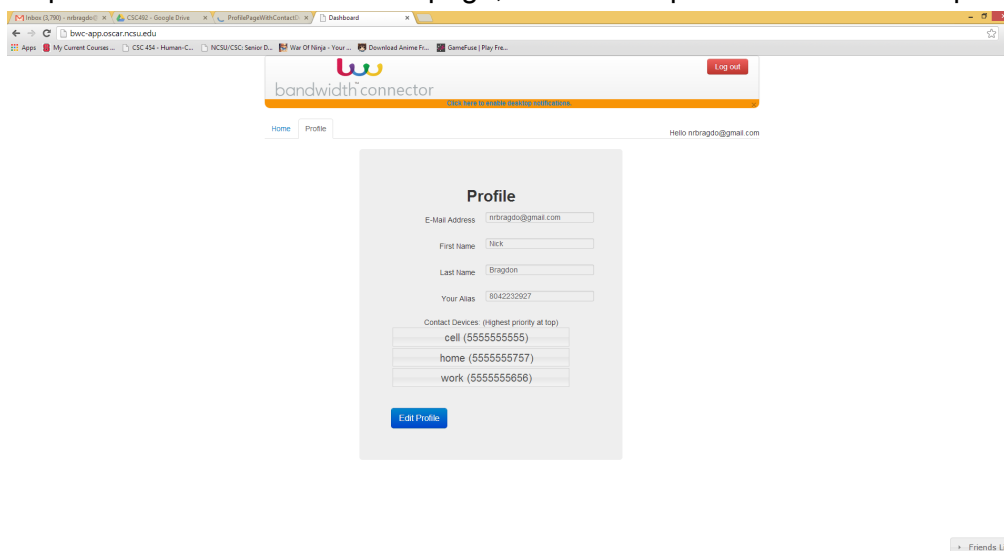

Step 2: Drag that user over to the delete box, once the delete box turns yellow you can drop the friend there and they will delete

5 Profile

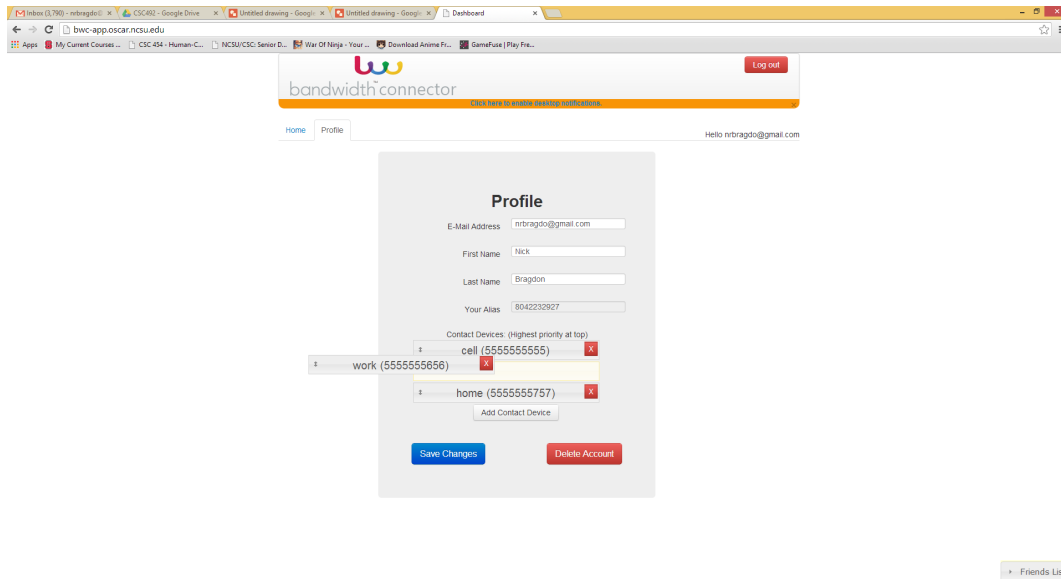

5.1 Viewing Your Profile

Step 1: Once on the dashboard page, click on the profile tab near the top of the page

5.2 Editing Your Profile

Step 1: While on the profile tab, click on the "Edit Profile" button to begin making changes

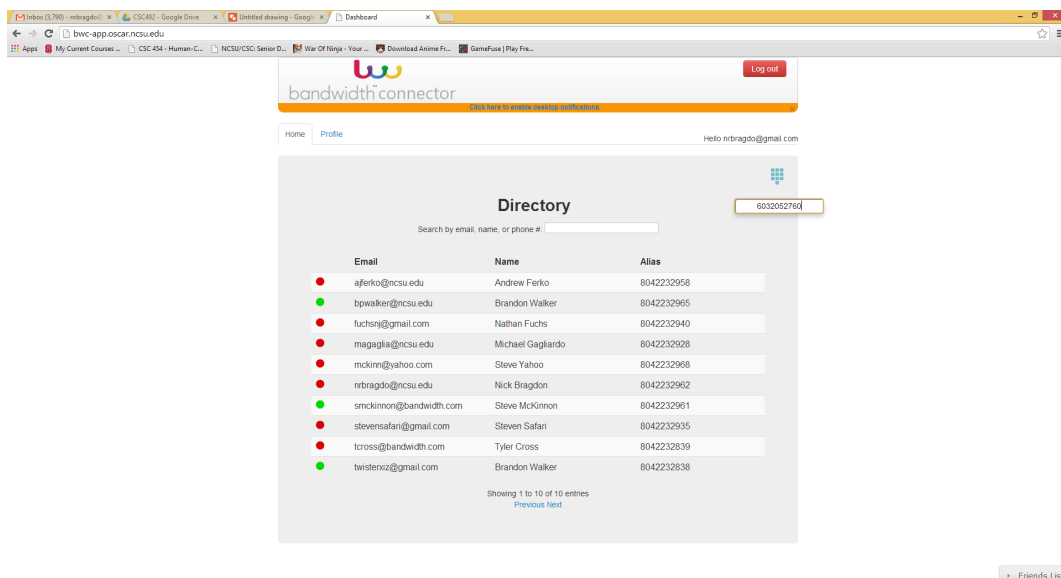

Step 2: You can change the available text boxes to change their values, you can drag and drop the contact devices to reorder the priority they get called in, you can also click “Add Contact Device” to add new contact devices, you can also click the “X” next to each contact device to remove them

Step 3: Click “Save Changes” to make the changes save

6 Calling

6.1 Calling a Phone Number Using Dial Box

Step 1: While on dashboard page, click on the number pad button near the top right hand side of the main dashboard section

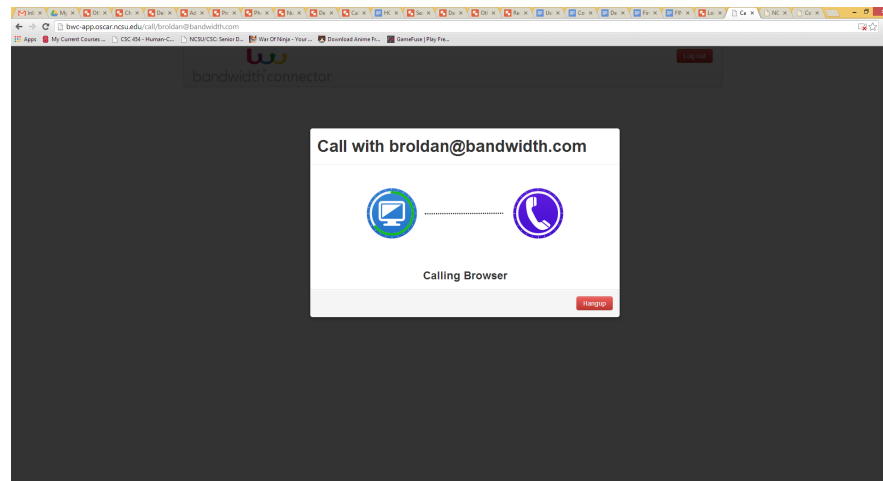

Step 2: Enter the phone number into the textbox that appears, then press enter to be the call

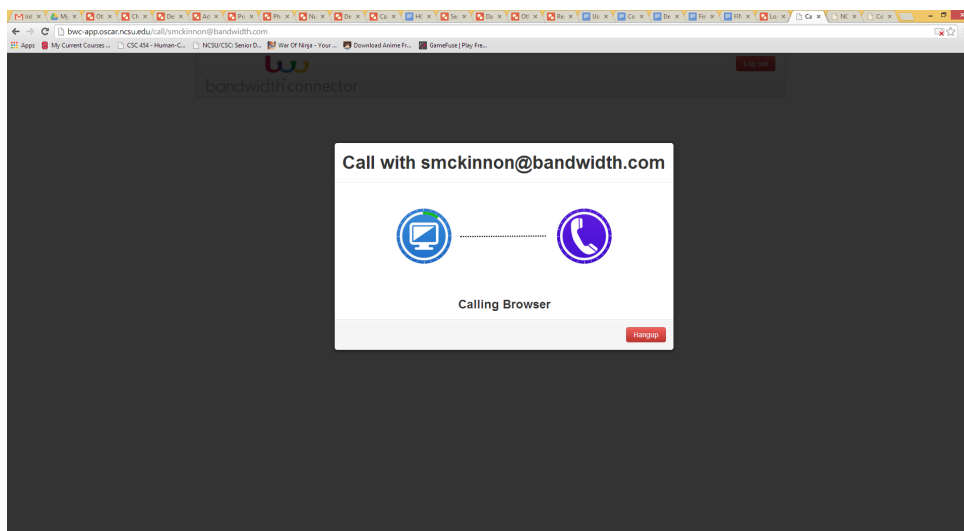

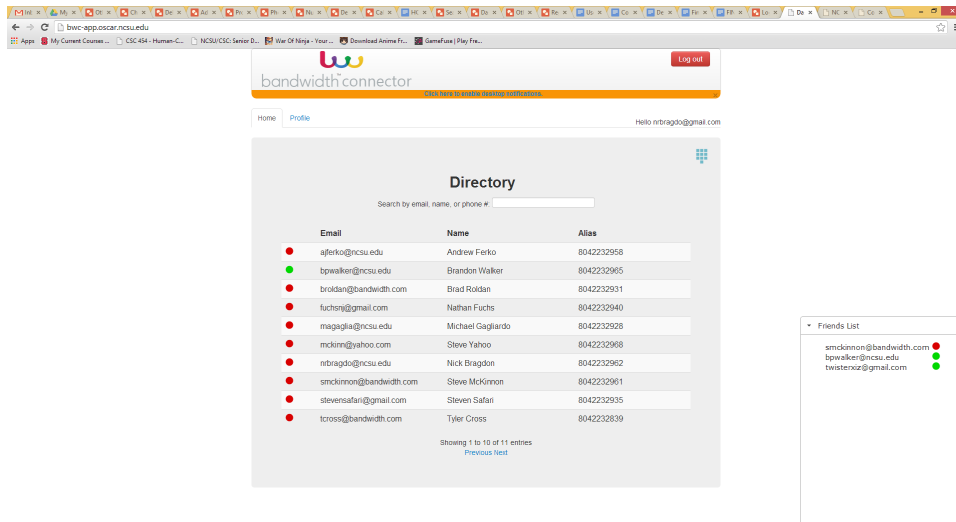

6.2 Calling a User From Their Profile

Step 1: Navigate to another user's profile page (not your own), click on the call button

6.3 Calling a User From Your Friends List

Step 1: Navigate to the dashboard page, bring up the friends list and click on a user you wish to call

6.4 Answering a Call

Step 1: If your browser is not maximized you will get a notification, click on the notification

Step 2: The web page will be maximized, click on the answer button

The screenshot shows the 'bandwidthconnector' web application interface. At the top, there is a 'bandwidthconnector' logo and a 'Log out' button. Below the logo, there are tabs for 'Home' and 'Profile'. A central notification box states 'Brandon is calling you!' with 'Answer' and 'Decline' buttons. Below this, there is a search bar labeled 'Search by email, name, or phone #'. A table lists contacts with columns for Email, Name, and Alias. The table contains 9 entries. At the bottom right, there is a small notification box that says 'Brandon is calling! Click to be taken to your call.'
